共に考える。未来のかたち Shaping a Shared Future Together

Roundtable

YouTube

AI and Humanity

It has been said that by executing algorithms in the same way, there is no difference between the human brain and AI (artificial intelligence). Is this really the case? What does it mean to be “human”? To be an “AI”? What can current AI do and not do?

In anticipation of a future in which humans and AI coexist, we discuss what we should keep in mind and what we can do to prepare.

Available Early June 2022

Speaker

MATSUBARA Hitoshi

Graduate School of Information Science and Technology, Professor

Speaker

YOKOYAMA Hiromi

Kavli IPMU, Professor

Speaker

KOKUBUN Koichiro

Graduate School of Arts and Sciences, Professor
