International Women's Day Symposium

Zoom Webinar

Understanding Feminist Movements Across Borders: Building Transnational Solidarity

In honor of International Women's Day, Tokyo College's "Gender, Sexuality & Identity" collaborative research group will host a panel that will explore the role of translation in practices of transnational feminist solidarity. Panelists will discuss the recent protests in Iran for "Woman, Life, Freedom" as a case study for contemplating how women led movements may be translated into different contexts to facilitate multi-directional relationships of learning and solidarity.

2023. **3.31** [Fri.]
10:00 am - 11:30 am JST
