招き、市民の皆さんと一緒に未来社会の様々な側面について考える場を作ります。

Lecture

Zoom Webinar

Exploring the Future of Crowdsourced Healthcare

Artificial intelligence already has the potential to revolutionize healthcare in the near-future. This talk introduces Prof. Hosio's work on digital health, highlighting the convergence of different digital technologies, some ongoing case studies on mental health, and crowdsourced, massively scalable online experiments exploring the cross-cultural differences and human factors.

2023. **10.3** [Tue.]
16:30-18:00 JST
