

TOKYO COLLEGE

共に考える。未来のかたち Shaping a Shared Future Together

Dialogue
Series

A Series of Dialogues on Global History

What is Global History, which is a new trend of historical studies? Global historians from around the world and early career researchers at Tokyo College will exchange their ideas on the meanings and the potentials of Global History. Topics to be covered include Global History's methods, practices and the positionality of the historians.

Every Tuesday and Friday from 15 January 2021

By WarmSleepy
